NEW YEAR PRACTICE PHRASES

NEW YEAR, NEW YOU

Happy New Year!
Do you have any goals for next year?
It's twenty-twenty-seven (2027)!
Cheers to the new year!
Are you staying up until midnight?
May I have a drink?
May I have something to eat?
Can you help me, please?
Are you enjoying the party?
I'm ready for a new start.
I'm tired.
Goodnight.
See you next year!
